NITEGLOW® Safety Tape

Fast and easy to install

Wooster Products NITEGLOW® Flex-Tred® has been developed to promote safety at a higher level.

- Wooster Products' NITEGLOW® is the fast and economical way to prevent slip and fall accidents.
- Improves the coefficient of friction on most wet or dry surfaces.
- Helps mark the boundaries of stair treads and other walkways.
- Protection against liability from slip and fall accidents.

Under Normal Light

Glow in the Dark

Unique Applications

- Directional arrows on floor to exits
- Safety markers in industrial plants
- Visual warning on stairs during power failures
- Well marked fire escapes
- Access stairs with lower lighting requirements
- Indoor or outdoor applications
- Highest initial brightness of any afterglow pigment manufactured

Technical Information

- Maximum brightness..... 2 hours
- Maximum Glow 6 hours
- Recharge time within 30 minutes
- Recharged by natural or incandescent light
- Anti-skid surface identical to standard specifications for Flex-Tred
- All other characteristics same as standard Flex-Tred

Wooster NITEGLOW® Flex-Tred® is available in rolls, strips, and sheets in many sizes.
